---

Dear Parents/Guardians,

We are sure that everyone is aware of the fatal bus crash that happened over the weekend in Humboldt, Saskatchewan with members of the Humboldt Broncos hockey team. Fifteen people did not come home that night. As we have so many students who travel for sports, dance, and other activities throughout the year, this really hits close to home.

Skeena Middle School will be participating in Jersey Day on Thursday, April 12<sup>th</sup> to honour their memory and show support for the victims of the Humboldt Broncos bus crash by wearing a jersey to school.

**The date is set for Thursday, April 12. If students do not have jerseys, they are encouraged to wear team/club shirts, hoodies, scarves, etc.**
