Student Absenteeism

Please remember to contact the school whenever your son or daughter is going to be away from school. If you send a note with your child, please have the note delivered to the main office first. If the absence is going to be for an extended period of time i.e. more than one day, we can put a homework request out to teachers if your child is ill.

Students Leaving the School

In the interest of student safety, any students who need to leave the school for any reason, i.e. an appointment, home for lunch – are required to sign out at the main office and to sign back in upon return.

June 2021 Newsletter

Dear SMS Families,

As we approach the final days to end this unprecedented school year, we want to extend our appreciation to our students, families, and staff who worked tirelessly to ensure that student needs were met. We want to congratulate our students for completing another school year. Their resilience in persevering this year was extraordinary. We were thoroughly impressed with how they conducted themselves throughout the year.

We may not have been able to celebrate the way you may have celebrated in the past, but we want to emphasize that you and your family should have a celebration with your child for completing this year. We value the hard work students have put forth this year and we should all let them know that they are valued and honored. Reflecting on this year, we were all reminded how precious life is. We are all so appreciative of our students, those around us, and especially our own families. Please take every opportunity to communicate with your child that they are loved. Give them a tight hug and look them in the eye to let them know that you are proud of them as we are. We hope that you all have a wonderful summer, and we look forward to seeing you again in September.
